

Wedding Policies

Weddings are a time when couples commit to living in a relationship centered on and blessed by God. When couples come to Sunne, we recognize that the wedding ceremony is actually a worship service that celebrates and lifts up a couples' love in the presence of God and in the presence of God's family.

When couples seek to be married, they should contact the pastor to arrange a wedding date and to arrange for pre-marriage counseling. Generally, at least 30 days notice is required. No weddings will be scheduled after 6pm.

Pre-marriage counseling is required. Normally Prepare-Enrich materials are used and the couple meets with the pastor three times. The cost of the material is to be paid by the couple.

Costs and expectations

Wedding parties are expected to clean up after their wedding. If the party would like to hire someone to do the cleaning, please contact the office for a list of people willing to clean.

If an organist from Sunne is asked to play, a gift of \$70 is suggested.

An honorarium for the pastor of \$125 to \$200 is suggested.

If the Sunne Women of the ELCA are to be in charge of the reception, they should be notified at least twelve weeks in advance.

Generally, flowers are not to be placed on the altar and altar furnishings are not to be moved except by the pastor and/or members of the altar guild. Gloves should be used when furnishings are moved.

Flash pictures are not to be taken during the wedding (between the opening prayer until after the benediction.) Please put the following statement in the bulletin: "Please, no flash pictures during the wedding."
