MAY MEETING MINUTES – MSC to approve the minutes.

TREASURER'S REPORT - May general offerings are down 55% over May 2018. May overall giving is down 49% over May 2018. Year to date, general offerings are the same as 2018. Year to date, overall giving is down 13%. Much of the decline is related to the building fund which is not collecting at this time. The May expenses exceeded income but that is not uncommon this time of year.

Kitchen Remodel: Four people have talked to council members about being on the remodel committee – Sylvia Vollan, Emma Berg, and Bob and Kristina Ell. This team will focus on determining the needs/wants for the remodel and working with a designer on cost estimates. A team for financing and fundraising will be created in the future. MSC to appoint the four named individuals to the committee as well as one WELCA member and also gave the committee permission to add members at its discretion.

MINISTRY TEAM REPORTS

No Reports: Stewardship, Worship, Cemetery, and Endowment Team

Church/Parsonage Property: The parsonage lawn tractor is working properly. The parsonage hot water heater was repaired.

Wilton Food Pantry: The addition of the Friday opening is going well. The Cleveland children were turned away from helping at the food pantry on a Friday. Pastor Paul indicated that anyone is welcome to help and is going to look into that situation further.

Evangelism: New families have been visiting Sunne recently.

Education – Getting ready for Vacation Bible School (VBS). Camp of the Cross runs the program so not a lot of prep needed from us though we do need to provide snacks. Brigette Tarpley will work on the snacks for the event. Dates are July 29 – August 1.

Youth – The NYC trip starts at 4am on Tuesday, June 18, 2019 leaving from the parsonage.
