Dear Confirmation Students and Parents;

After our discussion last Sunday, I've put together the acolyte schedule. If you will not be able to acolyte on your assigned Sunday, please find a replacement. Do not just assume that someone else will do it. If you can't find a replacement, make sure that you let your partner know that they will be on their own. If you wear nice clothes you do not need to wear the acolyte robe. If you need a replacement and absolutely cannot find someone, please let me know. To start with, I've paired second year students with first year students. Please note that Sunday worship is at 10am.

Thanks!

In Christ,

Pastor Paul
