Missouri Slope Lutheran Care Center is adding a new and much more efficient care center on North Washington to meet current and future needs. The new state of the art facility will increase efficiency of service, give more privacy to residents, have expanded amenities and an environment of hospitality for residents and their families. Sunne is a member Lutheran church of Missouri Slope. As such, we are invited to join in a tour of the new north campus located at 4916 N Washington on Wednesday, October 27 at 9am. Plan to meet at the main entrance on the west side of the building. Face masks will be required. Please contact Cathy Anhalt at 221-9349 to register.
