Missouri Slope is opening a new skilled nursing facility and is looking for volunteers to help during this transition in the upcoming few months. Are you able to help pack up and unpack belongings, greet residents upon arrival to new facility on north Washington, escort to rooms and provide tours; or do you like food and are willing to help serve meals during the day; or do you have a passion for cleaning, organizing, or assembling and want to put your skills to use; and most importantly, do you have some free time? If you answered yes to any of these questions, then we would love your service. Volunteers are required to be COVID and Flu vaccinated. For more information, please take a brochure by the mailboxes or contact Cathy at 701-221-9349.
